Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 2000 (June 15, 2000 to July 15, 2000)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached. An influence may last for as little as a few days to as long as half a year or so.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases, the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some technical details are given below.

Dec. 11, 2017 (Dec. 9, 2017 to April 28, 2020) Sat 5th H.

This is a period of discipline, patient practice, and working at giving form to your creative impulses; it's more a time of perspiration than inspiration. Your self-expression may not flow as freely and spontaneously as before because you are more self-conscious and also more concerned about perfecting your performance or your product, rather than just having fun.

Romantic involvements are likely to be fewer, but deeper and more serious. An old love may come into your life.

March 16, 2018 (March 16, 2018 to Oct. 6, 2018) Jup 3rd H.

Improved relationships with neighbors and those people you meet on a regular basis in the day-to-day business of life, are likely now. You are more tolerant and forgiving and more willing to remain open-minded on topics you might have been quick to criticize or disregard in the past.

Restlessness, both physical and mental, may cause you to take frequent short trips which are both entertaining and educational. Beginning a new course of study is excellent now.

Aug. 2, 2018 (July 16, 2018 to Oct. 25, 2018) Sat Conj Nep

Some illusions and glamorous notions that you have are painfully removed now. You may discover that a movie star, hero, lover, parent, or other person you admire is not as "divine" as you thought.

Doubts about your ideals and religious beliefs are also likely to arise. Even if you are an agnostic or atheist, you will now question whether your belief system is perhaps a little superficial. You may find yourself swinging between doubt and a rather self-righteous, rigid, and dogmatic adherence to a philosophical or religious belief system. Avoid the tendency to be rigid and judgmental! This is a time when your ideals and beliefs should be changing and maturing. However, if you are fearful of change and uncomfortable with doubt, you may become entrenched in a dogmatic attitude at this time. Some people experience this astrological influence as a discontent with life, moodiness, and depressed feelings with no apparent cause. These feelings are usually accompanied by low physical vitality and susceptibility to colds and other illnesses. These problems arise because your dreams and hopes have been dissipated. If your "bubble bursts", then you must probe within yourself for a new star to hitch your wagon to, a new vision for yourself. Avoid the tendency to become despondent and, by all means, refrain from escapism via alcohol or drugs.

Aug. 4, 2018 (Aug. 3, 2018 to Sept. 18, 2018) Mars 5th H.

Your drive for self-expression is high now and you pour yourself into competitive sports and games, contests, auditions, and so on with great energy and zeal. You play hard and you play to win. All creative projects and interests will get an extra burst of energy.

Romantic urges also run high and you will actively pursue the one you desire. A love relationship is likely to intensify at this time.

Sept. 4, 2018 (July 16, 2018 to Dec. 10, 2018) Pluto Sxtil Venus

Your romantic and sexual feelings are very strong now. If you are married or involved in a love relationship, then this relationship will deepen now. You feel really in tune with your partner and the bonds of love between you become stronger. You are able to share your deepest feelings, desires, fears, and needs more easily than usual now, and a healing of any past hurts and emotional scars takes place. During this time period you will find that you are better able to bring up your deepest feelings, let go of the negative feelings, and embrace the good ones. This process makes your love relationship stronger and closer. If you have any anxieties, fears, or phobias, especially if they are related to sexuality, then these emotional problems can be healed now. In any event, this is a time of increased emotional intensity and bonding.

If you are not involved in a love relationship but would like to be, you are very likely to form a deep love relationship now. The relationship may not necessarily lead to marriage, but it will be a deep, strong one. The best way to attract a relationship is simply to be yourself and don't be afraid to express your feelings to others. If you seek a relationship but are unable to start one during this time period, then there is some psychological block that must now be recognized and healed.

Sept. 12, 2018 (Sept. 5, 2018 to Sept. 18, 2018) Jup Conj Venus

If there is something that you have always wanted but felt that you could not afford, then your wait is over. You will buy it now, whether you can afford it or not! The urge to splurge is irresistible now, and your desires for good things can turn into cravings under this astrological influence. If you are dieting, it is likely that you will need to ease up a little. Of course, you should try to avoid unhealthy indulgence but asceticism is not in order either. This is a time to enjoy yourself.

You are in a fun-loving mood. Parties and other social occasions, especially of a festive nature, are likely to turn out better than expected. If there isn't a good party to go to, you may decide to throw one yourself - and be glad you did, because it will be fun.

You almost certainly will spend more money than you should, but you may also receive a bonus or gift. You have a lucky streak now that can bring you unexpected benefits - but don't use that as an excuse to throw it away at the races!

Sept. 13, 2018 (Sept. 8, 2018 to Sept. 17, 2018) Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

Sept. 18, 2018 (Sept. 14, 2018 to Nov. 15, 2018) Mars 6th H.

You are fired up at work and aim to accomplish a lot, but friction may arise with your co-workers if you are too impatient and pushy. You are not much of a team player right now and it would be better if you could work on your own.

This is also an excellent time to begin a health regimen or vigorous exercise program, but be certain not to overexert yourself.

Oct. 3, 2018 (Sept. 30, 2018 to Oct. 5, 2018) Mars Sqr Pluto

Your drive for personal power, achievement, or control over your life is very strong at this time. The tyrant in you emerges, and you can be excessively willful, domineering, or compulsive about doing what you want to. You battle anyone or anything that is an obstacle to your individual freedom of action, and ego conflicts or a furious power struggle may ensue. Also, you can be unmerciful with yourself and your own weaknesses. You are likely to push yourself much too hard.

Oct. 4, 2018 (Oct. 2, 2018 to Oct. 6, 2018) Mars Sxtil Sat

Self-discipline, training, persevering through a dry or slow period, and working quietly or in meager circumstances are themes in this time period. You have the ability and stamina to concentrate, to work carefully and thoroughly, and to accomplish something modest, yet of real practical value and substance now.

Oct. 6, 2018 (Sept. 30, 2018 to Nov. 27, 2019) Jup 4th H.

Improved family relationships, moving to a place that is larger or more comfortable, and a greater sense of inner security and contentment characterizes this time period.

Investing in real estate or home improvements is likely to bring you satisfaction now, and it will also work out well for you in the long run.

Oct. 6, 2018 (Sept. 30, 2018 to Oct. 11, 2018) Jup Oppos MC

Family and domestic life takes a fortunate turn now. A home improvement or even a new home is a possibility. A family member may improve in health or receive an advancement in career or important recognition that brings joy to the whole family.

You feel like your family is working together in a cooperative, mutually supportive, and helpful spirit. Feelings of closeness with good friends also helps you to feel grateful and happy about the place and circumstances of your life. This is a time of inner growth and fulfillment. If you have difficulties with family members, use this time to bring about a resolution and healing of the problem.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Oct. 7, 2018 (Oct. 5, 2018 to Oct. 9, 2018) Mars Conj Mars

Your desire to make a fresh start, to take the initiative and strike out on your own, is a powerful drive right now. Your physical energy, will, and courage are intensified. Unless you channel your abundant energy into decisive action or vigorous work, accidents, anger, and irritability are likely at this time.

Oct. 9, 2018 (July 16, 2018 to Oct. 25, 2018) Sat Conj Nep

This astrological influence (Sat Conj Nep) also occurred on Aug. 2, 2018 (peak date). Please refer to this date.

Oct. 14, 2018 (Oct. 9, 2018 to Oct. 19, 2018) Jup Conj Merc

You can see things from a broader perspective than usual at this time. You can see the big picture clearly, and you better appreciate how your personal activities, interests, and goals fit into the needs of society as a whole. Consequently, you see ways that you can expand your career goals and avail yourself of opportunities and resources that you have been neglecting or overlooking. You are likely to make long-distance phone calls and write letters to distant places in your pursuit of a grander vision for yourself. These contacts are likely to prove successful.

This is also a good time to travel or further your education in some way. Foreign cultures appeal to you now also. You would be wise to use the new experiences and ideas that come to you now as material to mold new plans and goals for yourself.

The only negative tendencies are having an exaggerated, overly optimistic assessment of a plan or project, ignoring important details, and underestimating the amount of time and energy that is needed to reach a goal.

Oct. 23, 2018 (Sept. 28, 2018 to Nov. 18, 2018) Ura Oppos Sun

Freedom, rebellion, and resistance to authority are the key issues for this time period. You urgently want greater freedom from responsibilities in your personal life now. You may be tempted to gamble on a get-rich-quick scheme so that you won't have so many financial obligations. If you have worked for many years for a company that provides a retirement plan, you may decide to retire now. You may start up your own business so you can make your own hours. In one way or another, you are tired of years of obligations and restrictions and you feel that now is the time to fully enjoy the fulfillment of a more independent life style.

This is certainly the time to build greater freedom and independence into your life, but whether a radical break from your current involvements will succeed or not is difficult to say. If you gamble in a risky manner, you will probably lose. Also, you may be tempted to drop some of your commitments; this will eventually prove to be an unwise decision. You certainly must break free now, but you can do it in a way that will not leave others who depend on you hanging, wondering where you are. On the other hand, if you are generally a cautious or timid person, you may find all kinds of reasons why you shouldn't loosen up and break free now. Stop the excuses and enjoy a little more freedom. Only you can decide what is an act of irresponsibility and what is a truly liberating step forward; you must be able to distinguish the difference.

If you are married or involved in a love relationship, you are likely to see traits in your mate that hamper your style and make you feel uncomfortable. The reverse may also occur; your mate feels that you restrict his/her life. This problem also arises between parents and children, typically with the children demanding much more freedom than before, and parents feeling that their children make too many demands on them. If such problems arise, then the people involved need to find ways to express themselves more freely and spontaneously, but remember that you can selfishly ignore the needs of others now and expect them to instantly adapt to your sudden and capricious changes of attitude. Do not run roughshod over the needs of others!

Oct. 26, 2018 (July 16, 2018 to Dec. 10, 2018) Pluto Sxtil Venus

This astrological influence (Pluto Sxtil Venus) also occurred on Sept. 4, 2018 (peak date). Please refer to this date.

Oct. 27, 2018 (Oct. 25, 2018 to Oct. 29, 2018) Mars Sqr Venus

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

Oct. 29, 2018 (Oct. 29, 2018 to Oct. 30, 2018) Mars Sxtil Ura

Physical thrills and excitement have a strong appeal for you now, and you want to do something new and out of the ordinary. You also have a lot of energy and quick reflexes. A vigorous game of racquetball or tennis or some other fast-moving competitive sport would be a good outlet for you now. Acting on your spontaneous impulses and following through on some of your more unusual or "crazy" desires will yield surprises, mostly positive.

Nov. 4, 2018 (Nov. 4, 2018 to Nov. 5, 2018) Mars Sqr MC

At this time your efforts to get ahead and advance your own interests are likely to be met with resistance or animosity. You seem overeager, pushy, inconsiderate, or too narrowly focused on your own objectives, so that you alienate the people who could help you. Try to do as much as you can on your own without trying to force others to agree with you or join you.

Nov. 6, 2018 (Nov. 5, 2018 to Nov. 8, 2018) Mars Sqr Merc

Verbal battles, disputes, and heated debates are very likely at this time because you speak your mind without much forethought, tact, or consideration of consequences. Right now you will say the things you usually only think, especially to people you disagree with. Also, you are quite impatient and easily frustrated and are inclined to move about too quickly and abruptly, which can cause accidents. Unless you slow your pace down a bit, this time period can be quite a headache.

Nov. 7, 2018 (Nov. 2, 2018 to Nov. 12, 2018) Jup Sqr Asc

Someone is likely to offer you a very promising opportunity at this time, or you may have an offer for someone else that you think will be mutually beneficial. The offer seems like a "deal" that can lead to tremendous growth and success, and yet you wonder if it is too good to be true. Because there are risks involved, it is impossible to know whether the offer will work out well, and you consequently are likely to feel uncertain what to do. In truth, there is definitely the potential for opening up new avenues for success and fulfillment, but there is also a tendency to overshoot the mark due to overoptimism and a willingness to gamble and speculate. The best course is usually to proceed with some kind of plan, but to thoroughly investigate all details as much as possible and to avoid wild speculation.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Nov. 10, 2018 (Oct. 16, 2018 to Dec. 12, 2018) Ura Trine Asc

This is an upbeat, refreshing time period. Progressive changes in your life and relationships make this an enjoyable, exciting time. The changes are not likely to be extraordinary in scope, but a definite enlivening of your relationship to others and the world in general is evident. You meet people who are interesting and really alive. You are likely to visit places that inspire you, and you feel more excited about your daily life and the things you do. Most obvious is the change in relationships to others. Drab and dull interactions seem to evaporate as you find exciting ideas and interests to share. This is an excellent time to investigate new clubs, groups, or individuals that you previously have not taken the time to become familiar with. Creative hobbies or interests that you have forgotten about or never seriously considered before may also come into view now. Take advantage of this time period to make your life more interesting and stimulating.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Nov. 15, 2018 (Nov. 13, 2018 to Dec. 19, 2018) Mars 7th H.

At this time you are less willing to compromise or to overlook differences for the sake of harmony in your relationships and less willing to sacrifice your own needs and desires. Any tensions which have been simmering in your marriage or other close associations are likely to boil over now. If you are of an argumentative nature, quarrels and confrontations will be more frequent.

Positively, you are more inclined to initiate contact with someone that you wish to make a connection with, and you may begin a relationship at this time that will be very worthwhile, one in which you are the pursuer or active partner.

Nov. 15, 2018 (Nov. 13, 2018 to Nov. 16, 2018) Mars Oppos Asc

Your relationships have a very competitive, aggressive quality at this time, and conflicts over power and dominance may erupt. You won't compromise yourself to please anyone. Disputes in your marriage or other close partnerships are likely. On the other hand, you may begin a relationship now, boldly taking the initiative to pursue someone you want to be with. You will come on strong to this person, but he or she might just love it!

Nov. 16, 2018 (Nov. 14, 2018 to Nov. 18, 2018) Mars Trine Sun

Your vitality and self-confidence are high, and you can achieve your goals with much more ease than usual. You enjoy vigorous physical activities, competitive work or sports, and meeting challenges. You are inclined to strike out on your own and to assert your own will, but not in a way that creates resistance in others.

Nov. 21, 2018 (Nov. 19, 2018 to Nov. 22, 2018) Mars Sxtil Nep

This is not a period when you feel like pushing your own interests or one in which you are especially energetic. Other people's concerns and needs receive more attention from you now, and you are more motivated to do something which serves others, perhaps a group you are affiliated with. Cooperating with others for some idealistic purpose is very satisfying for you at this time.

Nov. 23, 2018 (Nov. 12, 2018 to Dec. 2, 2018) Sat Sxtil Pluto

Dedication and commitment to work and relationships are key issues now. Excellent cooperation on important tasks is highlighted. In close personal relationships, you reach an even deeper mutual appreciation and understanding, and you are now able to assist each other more and work together more honestly and sincerely. Business relationships also work well now. Business meetings progress well because the different parties involved better appreciate the deeper concerns and issues at hand.

Your reliability, consistency, and dedicated work is appreciated, and you may receive recognition or a promotion now. This is a positive time for you when other people and situations assist you in accomplishing the tasks that are really important to you. Big breakthroughs and celebrations are not indicated; the effects are more subtle, but still very important. This is a time of quiet and deep, purposeful activity.

Nov. 25, 2018 (Oct. 4, 2018 to Jan. 12, 2019) Nep Conj Jup

Restlessness, expansiveness, travel, imagination, and philosophy are key issues now. This is the time to spread your wings and explore imaginative new possibilities. Your daily routine, regular chores, and responsibilities are exceedingly tedious and boring to you at this time. You are likely to find yourself becoming very sloppy. You will probably put off washing the dishes, cleaning the house, and mowing the lawn. Your attention is on bigger and more imaginative things. This is an excellent time to travel or take a vacation. You need to be outside a lot too; staying "cooped up" inside is intolerable.

If possible, delay work requiring attention to details to a later time but, if you must do it now, refrain from the temptation to be sloppy and to gloss over important details.

At times you will feel exceedingly lucky, and you enjoy gambling and speculating now. Your luck is, in fact, a little better than usual but you will probably end up losing in any speculation because your optimism and lack of self-control exceeds your good luck. You also have little self-control when it comes to doing most anything. You may go to the store with the intention of buying a few groceries and return home several hours later with your last pay check completely spent!

This is also a time when your religious and spiritual aspirations are inspired. This is an excellent time to visit inspiring places and explore spiritual and religious areas. Your ability to

focus is not very good now, however, so don't waste time trying to force yourself to engage in rigorous practices that are far beyond your current attention span and capacity for discipline.

Nov. 26, 2018 (Nov. 25, 2018 to Nov. 28, 2018) Mars Trine Pluto

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

Nov. 27, 2018 (Nov. 26, 2018 to Nov. 29, 2018) Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Dec. 5, 2018 (Dec. 3, 2018 to Dec. 6, 2018) Mars Trine Moon

Your feelings run hot now, and you are more likely to act on instinct, emotion, and impulse rather than reason. Your responses to life are passionate and also more natural, childlike, and direct. High-spirited physical play, lovemaking, or any activity that really involves you emotionally, such as a rock concert or a rousing football game, will be very gratifying to you now.

Dec. 6, 2018 (Dec. 5, 2018 to Dec. 8, 2018) Mars Conj Jup

This is an excellent time to begin a new business enterprise or any new venture. You have the drive and courage to make your vision a reality. You feel great physically, and your confidence and optimism are high, so whatever you attempt now is likely to succeed.

Dec. 12, 2018 (Dec. 7, 2018 to Dec. 16, 2018) Jup Conj Sat

You are likely to have some difficulty making an important decision at this time. You may simply feel like a change in your career and life style is needed, or someone may offer you an alternative career path that you have to carefully weigh the pros and cons of.

Much of the difficulty in making decisions at this time centers around deciding what is really worth holding on to and what you should let go of. You have to decide between the old, familiar daily routines and attachments versus opportunities for new growth. Like a snake shedding its old skin, you must be willing to leave the old and useless behind. Allow yourself to be flexible and break old habits. However, there is a fine balance, as you do not want to also discard what is worthwhile. You must decide what you really value in life and make the decision. If you can be honest with yourself, the decision will be much easier to make. Others can offer only limited help; ultimately you must make the decision.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.

Dec. 15, 2018 (Dec. 13, 2018 to Dec. 16, 2018) Mars Trine Venus

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

Dec. 16, 2018 (Dec. 16, 2018 to Dec. 17, 2018) Mars Sqr Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

Dec. 17, 2018 (Dec. 13, 2018 to Dec. 22, 2018) Jup Sxtil Mars

Work and career matters work out well now, particularly where cooperation and teamwork are required. Successful collaboration on a project, coordination with other agencies or companies, and successfully reaching agreements on plans and goals are likely to occur now. Partnerships or agreements entered into now will work out well for both parties.

Your health is good and you feel energetic. This is a time when you can get a lot done, without feeling stressed or fatigued. You pour a lot of creative energy into your work, and consequently you enjoy it very much and accomplish a great deal as well.

Dec. 19, 2018 (Dec. 18, 2018 to Jan. 30, 2019) Mars 8th H.

Disputes over shared resources, joint finances, or anything which you hold in common with another are more likely now, and you are prone to impulsiveness and recklessness regarding such matters. Also, fights over money may only be symbolic of other, deeper conflicts between you and your mate or business partner, such as questions of personal power and control in the relationship.

Your desires and passions are stirred up now as well and this can be a time of a sexual and emotional renaissance in an intimate relationship.

Dec. 21, 2018 (Dec. 19, 2018 to Dec. 22, 2018) Mars Sxtil MC

Working energetically with a clear objective in mind, advancing your own professional goals, and enlisting others' support for your projects by acting as a leader are key issues now. Your superiors and others in authority respond favorably to your confidence and your willingness to take a risk or attack a problem in a new way.

Dec. 23, 2018 (Dec. 22, 2018 to Dec. 25, 2018) Mars Trine Merc

You speak very clearly, convincingly, and forcefully now, so that there is no mistaking what your views and opinions are. You can argue a good case, make a very persuasive presentation, or successfully challenge someone whose ideas do not agree with your own. Your mind is sharp and your responses quick. This is a very good time to take a test or to do any kind of intellectual or mental work.

Jan. 5, 2019 (Jan. 4, 2019 to Jan. 7, 2019) Mars Sqr Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Jan. 8, 2019 (Jan. 3, 2019 to Jan. 13, 2019) Jup Sqr Jup

The astrological influence at work now is not very powerful, but it does incline you to feel a bit restless and dissatisfied with your present situation. You feel limited and restricted by your responsibilities and impatient to achieve your larger goals. Try not to do anything rash as success cannot be forced prematurely. A clarification of what goals are really important to you is possible at this time.

Jan. 8, 2019 (Dec. 31, 2018 to Jan. 17, 2019) Sat Oppos Moon

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

Jan. 11, 2019 (Jan. 10, 2019 to Jan. 13, 2019) Mars Trine Sat

Your concentration is excellent now and you are serious about your work. You want to focus on real accomplishment and avoid frivolity and distractions. You may fruitfully tackle difficult, disagreeable tasks or work that usually frustrates you, for your patience and ability to do painstaking work is brought out now. Self-control and self-discipline are required of you at this time but, fortunately, they yield positive results in the long run.

Jan. 13, 2019 (Jan. 12, 2019 to Jan. 15, 2019) Mars Sxtil Mars

You are capable of forceful, decisive action, and you have the will to carry through on your intentions at this time. Physically, you feel good and your energy is flowing smoothly. Also, your interactions with others are feisty and spirited. You inspire others to take action, and group efforts or joint projects are favored.

Jan. 17, 2019 (Jan. 8, 2019 to Jan. 26, 2019) Sat Sxtil Jup

Cooperation and successful collaboration in the business and professional world are highlighted now. Legal matters and governmental matters of all kinds run very smoothly now. If you are involved in any legal disputes or involvements with government agencies, this is a time when a successful resolution can be reached. This is a good time to bring about increased harmony and cooperation in any organization, club, or business of which you are a part.

Jan. 18, 2019 (Jan. 17, 2019 to Jan. 20, 2019) Mars Sqr Moon

At this time you are prone to irritability, temper tantrums, and flying off the handle for slim reasons. You are also impatient and inclined to rush unnecessarily, which can cause accidents or bruised feelings on the part of the people you live with or work closely with. You are in a fighting mood and stand up for your rights more readily than usual, but beware of the tendency to be abrasive and insensitive.

Jan. 29, 2019 (Jan. 28, 2019 to Jan. 31, 2019) Mars Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

Jan. 30, 2019 (Jan. 28, 2019 to March 20, 2019) Mars 9th H.

If you have a zealous or fanatical streak, this will come to the forefront now. You are eager to defend your convictions or fight for a cause you believe in. You may encounter others who are aggressively promoting their philosophy, as well.

Also, the desire for action and adventure may impel you to travel or to undertake an enterprise that is physically or mentally challenging, and possibly dangerous.

Feb. 12, 2019 (Feb. 6, 2019 to Feb. 19, 2019) Jup Conj Ura

This is an exciting, wonderfully liberating time for you! You feel youthful, exuberant, creative, adventurous, and genuinely excited and enthusiastic about what you are doing. Fresh ideas and opportunities abound. This is the time to break out of a rut and get involved with lively, creative people and activities.

You are more concerned with doing creative, exciting things than with mundane chores and responsibilities at this time.

There is an excellent chance that you will receive a gift or offer that enables you to have the freedom to live a richer, more fulfilling life. Even if a tangible, concrete gift does not arrive on your doorstep, this is still a time of good fortune for you as you become involved with activities that are enriching and inspiring.

Feb. 13, 2019 (Feb. 12, 2019 to Feb. 15, 2019) Mars Trine Asc

At this time it is easy for you to express yourself boldly and confidently. You seem to care less about outside approval and this frees you to act on your own behalf or to do something you have not had the courage to attempt before. Your health and vitality are quite good, and you need physical outlets for your energies now.

Feb. 14, 2019 (Feb. 13, 2019 to Feb. 16, 2019) Mars Oppos Sun

Intense competition or conflict is quite likely at this time. You feel you must fight or stand up for your rights in the face of some person or situation that opposes you. You may actually seek out a battle in order to test your own powers. Beware of acting so abruptly or aggressively that you bring harm to yourself or other people.

Feb. 19, 2019 (Feb. 17, 2019 to Feb. 20, 2019) Mars Trine Nep

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

Feb. 24, 2019 (Feb. 23, 2019 to Feb. 26, 2019) Mars Oppos Pluto

Your personal ambitions and drive to assert yourself and make an impact on the world meet with considerable opposition now. Other people or external forces over which you have no control seem to subtly undermine your efforts - or try to overpower you altogether. You need to stand up for yourself, perhaps in a David-and-Goliath type of situation. If you have been unscrupulous or overly egotistical and selfish in your pursuits, you are likely to get your comeuppance now.

Feb. 27, 2019 (Feb. 25, 2019 to Feb. 28, 2019) Mars Sqr Mars

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or irritate you. Working alone is best at this time.

March 2, 2019 (Jan. 30, 2019 to March 23, 2019) Ura Trine Asc

This is an upbeat, refreshing time period. Progressive changes in your life and relationships make this an enjoyable, exciting time. The changes are not likely to be extraordinary in scope, but a definite enlivening of your relationship to others and the world in general is evident. You meet people who are interesting and really alive. You are likely to visit places that inspire you, and you feel more excited about your daily life and the things you do. Most obvious is the change in relationships to others. Drab and dull interactions seem to evaporate as you find exciting ideas and interests to share. This is an excellent time to investigate new clubs, groups, or individuals that you previously have not taken the time to become familiar with. Creative hobbies or interests that you have forgotten about or never seriously considered before may also come into view now. Take advantage of this time period to make your life more interesting and stimulating.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

March 4, 2019 (March 4, 2019 to March 5, 2019) Mars Sxtil Moon

You easily become fired up emotionally at this time, especially about people, places, or causes you have a strong attachment to from the past, such as your alma mater or your home town. You care more passionately and respond instinctively and emotionally to whatever happens to you at this time. Also, you are energized and invigorated now and eager to be involved in projects that benefit your children, family, or home.

March 5, 2019 (March 4, 2019 to March 7, 2019) Mars Sxtil Jup

Doors open and new opportunities for personal and professional growth present themselves. Any initiative or action you feel inclined to take at this time is likely to lead to a positive outcome for you. Partnerships or joining with others for mutual benefit is favored. Your energy level is high; this is a good time for athletics, especially team sports.

March 14, 2019 (March 14, 2019 to March 15, 2019) Mars Oppos Venus

You are powerfully attracted, emotionally and sexually, to someone you encounter at this time, and any romantic involvements you currently have are intensified. Expect fireworks! Also, your relationships can become tempestuous, especially if your partner is not as responsive or amorous as you would like.

March 15, 2019 (March 2, 2019 to April 2, 2019) Sat Sxtil Venus

Excellent cooperation in partnerships and friendships is highlighted now. The effect of this astrological influence extends to virtually all relationships, including romantic and personal relationships, friendships, and business associations.

In a marriage or romantic relationship, you feel that you and your mate are really helping each other meet the goals that each of you has, and you understand each other. Relationships in the business area work out nicely too, and any dominance-passivity problems are assuaged at this time. Don't just sit back and watch. Take advantage of the opportunity to straighten out any difficult personal relationships in your life. You will find that you can get others to understand and appreciate your point of view now. This can be beneficial for communicating technical, impersonal issues as well, but by far the greatest benefit is in communicating issues of personal concern and emotional impact.

Agreements and contracts signed now work out nicely for all parties concerned. Gambling or risky ventures are not affected. This is a time for strengthening existing relationships and important associations in your life.

This is also a good time for creative art or cleaning up and beautifying your home. You may decide, for example, to paint, rearrange furniture, landscape, or buy some new clothes, all of which will be done simply but tastefully and you will be happy with the results.

March 17, 2019 (Feb. 23, 2019 to April 5, 2019) Ura Oppos Sun

Freedom, rebellion, and resistance to authority are the key issues for this time period. You urgently want greater freedom from responsibilities in your personal life now. You may be tempted to gamble on a get-rich-quick scheme so that you won't have so many financial obligations. If you have worked for many years for a company that provides a retirement plan, you may decide to retire now. You may start up your own business so you can make your own hours. In one way or another, you are tired of years of obligations and restrictions and you feel that now is the time to fully enjoy the fulfillment of a more independent life style.

This is certainly the time to build greater freedom and independence into your life, but whether a radical break from your current involvements will succeed or not is difficult to say. If you gamble in a risky manner, you will probably lose. Also, you may be tempted to drop some of your commitments; this will eventually prove to be an unwise decision. You certainly must break free now, but you can do it in a way that will not leave others who depend on you hanging, wondering where you are. On the other hand, if you are generally a cautious or timid person, you may find all kinds of reasons why you shouldn't loosen up and break free now. Stop the excuses and enjoy a little more freedom. Only you can decide what is an act of irresponsibility and what is a truly liberating step forward; you must be able to distinguish the difference.

If you are married or involved in a love relationship, you are likely to see traits in your mate that hamper your style and make you feel uncomfortable. The reverse may also occur; your

mate feels that you restrict his/her life. This problem also arises between parents and children, typically with the children demanding much more freedom than before, and parents feeling that their children make too many demands on them. If such problems arise, then the people involved need to find ways to express themselves more freely and spontaneously, but remember that you can selfishly ignore the needs of others now and expect them to instantly adapt to your sudden and capricious changes of attitude. Do not run roughshod over the needs of others!

March 20, 2019 (March 19, 2019 to March 22, 2019) Mars Conj MC

Your desire for leadership, personal recognition for your efforts, and absolute control over your own affairs is very strong now. You are very competitive in business affairs and you aggressively present your concerns and interests to colleagues and superiors. Anger over an inability to be first or to be on top is quite possible, but you won't take it lying down. You are ready to fight if necessary in order to forge ahead!

March 20, 2019 (March 19, 2019 to May 14, 2019) Mars 10th H.

You are strongly motivated to achieve your professional goals and get personal recognition for your efforts, and competitive energies run high. Ego conflicts, especially with those in authority or who have some bearing on your career life, may arise. Try to control or temper your ambition with consideration for others.

Your urge to act and to do is so strong that you are prone to rush and to try to force your will in situations where waiting may be more appropriate.

March 22, 2019 (March 21, 2019 to March 24, 2019) Mars Oppos Merc

You are inclined to jump to conclusions at this time and to rashly say and do things which you may regret later. You may suddenly decide to act on some idea or plan you have been considering, which can be good as long as you don't move so abruptly and quickly that you override other people's say in the matter. At this time, too, you are quite sharp and possibly sarcastic, which can create unnecessary hard feelings or opposition to your plans.

March 30, 2019 (March 29, 2019 to April 1, 2019) Mars Sqr Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

April 11, 2019 (April 11, 2019 to April 12, 2019) Mars Oppos Sat

A sense of failure, self-doubt, or inability to effectively compete and assert your own will may typify this time period. Stifled anger and resentment over the frustrations and obstacles you confront now may further complicate matters. This is not a good time to begin a new venture, ask for a promotion, or try to expand your activities in any way. Patience and perseverance are required of you now. Be willing to wait. Your problems and inadequacies seem more real and insurmountable than they actually are, so try not to become too discouraged.

April 13, 2019 (April 13, 2019 to April 14, 2019) Mars Trine Mars

Self-confidence, physical energy, and courage run high, so this is a fine time to undertake any project or challenge that confronts you, especially if it involves competition or asserting yourself vigorously. You are inclined to take charge or assume a leadership role at this time.

April 15, 2019 (Feb. 17, 2019 to July 4, 2019) Pluto Trine MC

This is a positive time for your career. There will definitely be changes: you may change jobs, receive additional training or education that will help you reach your goals, or develop a fresh, new approach to your work. You are likely to receive some benefits, raises, promotions, or increased stature and recognition in your work. Perhaps just as important as these external changes is the improvement in your attitude towards your work. You approach your work, and life in general, with a fresh perspective and you are able to break out of any rut that you have been caught in. This is a time when you can tap hidden talents within yourself, and start yourself on a new course. If you are involved in the arts, you will probably develop a very new style at this time. If you are involved in the business world, you may develop a new strategy and outlook on your business.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

April 20, 2019 (April 18, 2019 to April 21, 2019) Mars Sqr Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

April 29, 2019 (April 28, 2019 to May 1, 2019) Mars Oppos Ura

You are very bold and adventurous right now and you cannot tolerate delays, restrictions, or any form of authority that prevents you from behaving exactly as you please. Your drive for

personal freedom and insistence on your rights is pressing, and a confrontation in which you have to stand up for yourself is likely. Rashness, sudden acts of anger or violence, and a tendency to try to do too much too fast are tendencies you need to carefully monitor at this time.

May 3, 2019 (Feb. 17, 2019 to July 4, 2019) Pluto Trine MC

This astrological influence (Pluto Trine MC) also occurred on April 15, 2019 (peak date). Please refer to this date.

May 9, 2019 (April 21, 2019 to May 27, 2019) Ura Trine Nep

Inspiration, increased imagination, and rejuvenation of spiritual ideals are key issues now. Your imagination and intuition are very keen now. If you are involved in an imaginative area such as art, music, theater, or writing fiction, you will find that fresh, new insights and creative inspirations give added zest and originality to your work. Whether you are directly involved in these areas or not, you will encounter imaginative works that inspire and uplift you now.

Your sense of awe and wonder expands now, allowing you to appreciate life to a greater extent. You also encounter inspiring people and places that reinforce your sense of the magic and mystery of life. Your religious and spiritual interests are revitalized and rejuvenated now too. You may attend a spiritual retreat or workshop that inspires you to pursue your ideals and visions with greater gusto. In short, this time period is a positive one, in which your ideals, imagination, and sensitivity are awakened and uplifted.

May 14, 2019 (May 12, 2019 to July 4, 2019) Mars 11th H.

You may play a leadership role in a group or organization that you are affiliated with or take some initiative in a group situation. You are fired up about your ideals and can stir others to action. Team sports and group efforts of any kind appeal to you now.

May 15, 2019 (May 14, 2019 to May 17, 2019) Mars Sxtil Asc

At this time you are able to be very clear and aboveboard with other people, bringing out your desires and differences between yourself and others in a way that is unlikely to offend or stir up hostility. Because you appear confident, others are inclined to follow your lead now.

May 16, 2019 (May 15, 2019 to May 18, 2019) Mars Trine Sun

Your vitality and self-confidence are high, and you can achieve your goals with much more ease than usual. You enjoy vigorous physical activities, competitive work or sports, and

meeting challenges. You are inclined to strike out on your own and to assert your own will, but not in a way that creates resistance in others.

May 21, 2019 (May 21, 2019 to May 22, 2019) Mars Oppos Nep

At this time your interactions with others and with the outside world in general can be confusing, devitalizing, and discouraging. It seems that whatever you try to do goes nowhere or gets lost in a haze of misunderstanding. This is not a good time to try to toot your own horn or attempt to get personal recognition for your efforts. Taking time off, working quietly, or doing something primarily for the benefit of others without concern for personal gain is favored at this time.

May 26, 2019 (May 25, 2019 to May 28, 2019) Mars Trine Pluto

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

June 3, 2019 (June 2, 2019 to June 5, 2019) Mars Conj Moon

At this time you are more temperamental, impassioned, and inclined to act on the dictates of emotion and desire rather than reason. Minor annoyances and others' idiosyncrasies aggravate you more than usual. You are in a fighting mood. Your relationships with your family and the women you are closest to are likely to be stormy.

June 5, 2019 (June 4, 2019 to June 7, 2019) Mars Trine Jup

At this time you will want to branch out; you have the energy to do more and take on more challenges. This is a very good time to begin implementing the plans and promises that you have made to yourself, as any new endeavor is likely to succeed. A new health regimen, actions taken to advance professionally, or anything you do to move toward achieving a cherished goal or ideal goes well now.

June 8, 2019 (May 31, 2019 to June 16, 2019) Jup Conj Ura

This is an exciting, wonderfully liberating time for you! You feel youthful, exuberant, creative, adventurous, and genuinely excited and enthusiastic about what you are doing. Fresh ideas and opportunities abound. This is the time to break out of a rut and get involved with lively, creative people and activities.

You are more concerned with doing creative, exciting things than with mundane chores and responsibilities at this time.

There is an excellent chance that you will receive a gift or offer that enables you to have the freedom to live a richer, more fulfilling life. Even if a tangible, concrete gift does not arrive on your doorstep, this is still a time of good fortune for you as you become involved with activities that are enriching and inspiring.

June 14, 2019 (June 14, 2019 to June 15, 2019) Mars Trine Venus

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

June 15, 2019 (May 27, 2019 to June 29, 2019) Sat Sxtil Venus

This astrological influence (Sat Sxtil Venus) also occurred on March 15, 2019 (peak date). Please refer to this date.

June 20, 2019 (June 19, 2019 to June 22, 2019) Mars Sxtil MC

Working energetically with a clear objective in mind, advancing your own professional goals, and enlisting others' support for your projects by acting as a leader are key issues now. Your superiors and others in authority respond favorably to your confidence and your willingness to take a risk or attack a problem in a new way.

June 21, 2019 (April 26, 2019 to Aug. 17, 2019) Nep Trine Venus

You are in a loving, generous, helpful mood during this time period. Your values are more altruistic, and you are less concerned with personal gain than you are with making important contributions to life and helping others. You are also able to find outlets for your good will; you contact people and find opportunities that provide you with a vehicle for helping and assisting others. This is a spiritually uplifting time when timeless truths really guide you, and you are less immersed in the little problems, egotistical needs, and insecurities that arise at other times in your life.

You are also more sensitive to beautiful natural settings or pieces of art that you would otherwise overlook. It is likely that you will spend some time at the beach, in the mountains, or in another inspiring or beautiful environment. You also discover new beautiful creative art and music now. Your range of aesthetic tastes and appreciations can broaden and develop

greatly now. You are also likely to engage in some creative artistic work now yourself, even if you normally are not inclined to do so.

This is also a positive time for romantic relationships. If you are married or involved in a romantic relationship, then you may experience a kind of second honeymoon now. If you become romantically involved with someone at this time, it is likely to be a very fulfilling and happy relationship.

June 21, 2019 (June 14, 2019 to June 28, 2019) Nep Sqr Ura

Inspiration, eccentricity, and imagination are the key issues for this time period. You are likely to feel the urge to do something completely out of character now. Let yourself be a little "crazy"; this is a good time to break out of your accustomed ways of acting and be more humorous or eccentric. The child in you is strong now, and this is the time to allow your childlike sense of awe, wonder, and sense of humor to come to the fore.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. Your political and social idealism is also stirred, and you may become active in altruistic or idealistic social reform.

Be careful, however, in practical affairs. You find it difficult at times to control your enthusiasm about progressive and unusual ideas. You may feel an urge to gamble or try something different just to see how you like it. This attitude is good when you decide to go to a circus or carnival because you haven't gone to one in years, but don't make major career decisions or business decisions with this attitude!

Your imagination is charged now, but you tend to go off on strange tangents also. Your thinking is much less conservative and cautious now and you are able to tap intuitive and creative resources that will surprise even yourself. However, stay away from people that are mentally unstable, using drugs, etc., and if you have a tendency to use drugs, try to refrain from doing so. Even drugs used for medical purposes can alter your state of awareness so much that you will wish that you hadn't taken them. Of course, if you must take drugs for a serious condition, then do not lower your intake without consent from your doctor.

June 23, 2019 (June 21, 2019 to June 24, 2019) Mars Trine Merc

You speak very clearly, convincingly, and forcefully now, so that there is no mistaking what your views and opinions are. You can argue a good case, make a very persuasive presentation, or successfully challenge someone whose ideas do not agree with your own. Your mind is sharp and your responses quick. This is a very good time to take a test or to do any kind of intellectual or mental work.

July 2, 2019 (June 30, 2019 to July 4, 2019) Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

July 4, 2019 (July 2, 2019 to Aug. 17, 2019) Mars 12th H.

At this time, you're likely to feel that you cannot make your desires or influence felt, and that things go awry when you try to assert yourself, make an impact, or get things done in a forthright way. Retreating from confrontation and allowing matters to take their own course may well be the best path now. Though not the most auspicious time to act on your own behalf, this is a good time to do things that benefit others. Selfless work is likely to be the most satisfying avenue for you now.

July 12, 2019 (July 11, 2019 to July 14, 2019) Mars Sqr Pluto

Your drive for personal power, achievement, or control over your life is very strong at this time. The tyrant in you emerges, and you can be excessively willful, domineering, or compulsive about doing what you want to. You battle anyone or anything that is an obstacle to your individual freedom of action, and ego conflicts or a furious power struggle may ensue. Also, you can be unmerciful with yourself and your own weaknesses. You are likely to push yourself much too hard.

July 13, 2019 (July 11, 2019 to July 15, 2019) Mars Trine Sat

Your concentration is excellent now and you are serious about your work. You want to focus on real accomplishment and avoid frivolity and distractions. You may fruitfully tackle difficult, disagreeable tasks or work that usually frustrates you, for your patience and ability to do painstaking work is brought out now. Self-control and self-discipline are required of you at this time but, fortunately, they yield positive results in the long run.

July 15, 2019 (July 13, 2019 to July 17, 2019) Mars Oppos Mars

A furious battle of wills is quite possible, for you are fired up, impatient, aggressive, and inclined to put your own interests and desires ahead of anything else. You may also have to stand up for your rights against some fierce competitor. Also, you can't sit still right now and hasty, abrupt, impulsive action may result in accidents.

July 31, 2019 (July 29, 2019 to Aug. 2, 2019) Mars Sqr Venus

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

Aug. 1, 2019 (July 31, 2019 to Aug. 3, 2019) Mars Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

Aug. 7, 2019 (Aug. 7, 2019 to Aug. 8, 2019) Mars Sqr MC

At this time your efforts to get ahead and advance your own interests are likely to be met with resistance or animosity. You seem overeager, pushy, inconsiderate, or too narrowly focused on your own objectives, so that you alienate the people who could help you. Try to do as much as you can on your own without trying to force others to agree with you or join you.

Aug. 9, 2019 (Aug. 7, 2019 to Aug. 11, 2019) Mars Sqr Merc

Verbal battles, disputes, and heated debates are very likely at this time because you speak your mind without much forethought, tact, or consideration of consequences. Right now you will say the things you usually only think, especially to people you disagree with. Also, you are quite impatient and easily frustrated and are inclined to move about too quickly and abruptly, which can cause accidents. Unless you slow your pace down a bit, this time period can be quite a headache.

Aug. 12, 2019 (July 4, 2019 to Sept. 19, 2019) Ura Oppos Pluto

Your close relationships with others undergo some abrupt changes at this time. The driving force behind these changes is your impatient, demanding need to achieve greater sincerity, honesty, and understanding between you and others. In a marriage or love relationship, you are likely to bring up jealousies and hurt feelings from events that occurred quite a long time ago. You feel the need to air out and clear your feelings and to stop hiding things from each other. If you feel that the other person is unapproachable on these topics or that you simply don't have the courage to bring them up, the feelings will brew and seethe, and you will vent your feelings by being bossy, impatient, demanding, and angry with the other person. You will

blame your partner for various problems in your life, rather than admit that you have quite a lot to do with your problems as well!

You are in a reforming spirit now. Impatient and unwilling to compromise, you are quick to see the flaws, insincerities, ego trips, and personal ambitions that warp the functioning of organizations, businesses, and governments. You are likely to find yourself being forthright and direct about political and social issues, expressing yourself with emotion and conviction. You simply do not have the patience to allow important issues to be glossed over, ignored, or distorted. You also pursue your own personal goals and career now with greater dedication, conviction, and honesty. One warning: do not be too tactless and strident in your dealings with others. You tend to express yourself in a manner that polarizes you against others and causes others to feel like adversaries. A tactful and harmonious style will usually better achieve your goals without compromising your message.

Now is the time to break old habits and start new ones. Be careful, however, in making major career decisions or business agreements. Because this is an unstable time with lots of changes, it is often better to wait until things settle down more and the best alternatives can be better discerned.

Aug. 17, 2019 (Aug. 16, 2019 to Aug. 19, 2019) Mars Conj Asc

You come across assertively, competitively, and energetically now, so much so that you may arouse others' animosity. You don't want to slow down or accommodate other people's needs and resent it hotly if your own desires have to take a back seat to others' will and wishes.

This is a time for positive, decisive action on your part, forging ahead, taking the initiative. Try not to do so in a completely insensitive, arrogant manner as this will almost certainly work against you.

Aug. 17, 2019 (Aug. 16, 2019 to Sept. 21, 2019) Mars 1st H.

You are decisive and forthright and your energy level is high. You appear rather headstrong and most people will stay out of your way, or let you take the lead. You aren't very patient or conciliatory now and won't avoid a confrontation. You may even provoke them in an unnecessarily forceful or inconsiderate manner. Now is the time to act, but try not to be foolhardy or step on too many toes.

Aug. 18, 2019 (Aug. 17, 2019 to Aug. 20, 2019) Mars Sxtil Sun

Your physical drive and energy level are high now, and you can accomplish a great deal fairly easily. You are inclined to take the initiative or to strike out on your own, and you are likely to be successful at what you attempt at this time. Because you assert yourself in a positive

manner, a leadership role or an opportunity to do something you have wanted to do on your own is likely to be offered to you.

Aug. 23, 2019 (Aug. 23, 2019 to Aug. 24, 2019) Mars Trine Nep

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

Aug. 28, 2019 (Aug. 27, 2019 to Aug. 30, 2019) Mars Sxtil Pluto

You may be considering a major overhaul or revision in your ambitions at this time. If you do not have a sense of meaningful purpose or a passionate commitment to anything, you will want to reassess where you are going and why. If you do have a clear goal, you can make significant progress and work with great satisfaction now. An opportunity to do what you really want to do is likely.

Aug. 29, 2019 (Aug. 28, 2019 to Aug. 31, 2019) Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Sept. 18, 2019 (Aug. 25, 2019 to Oct. 11, 2019) Sat Sxtil Jup

Cooperation and successful collaboration in the business and professional world are highlighted now. Legal matters and governmental matters of all kinds run very smoothly now. If you are involved in any legal disputes or involvements with government agencies, this is a time when a successful resolution can be reached. This is a good time to bring about increased harmony and cooperation in any organization, club, or business of which you are a part.
